MASTIC/SHIRLEY SEWER DISTRICT PUBLIC MEETING

Legislator Browning, DPW & CDM to Inform Public

Who: Suffolk County Legislator Kate Browning, Third Legislative District
Suffolk County Department of Public Works
CDM Smith, Sewer Consultant
Montauk Highway Property Owners/Business Owners
Civic Leaders
Concerned Residents

What: Public Information Meeting regarding Mastic/Shirley Sewer District. Legislator Kate Browning along with Suffolk County's Department of Public Works and its sewer consultant (CDM Smith) will be hosting a Public Informational Meeting regarding the proposed Mastic/Shirley Sewer district for the Montauk Highway Corridor.

At this meeting Suffolk County's Department of Public works will present a presentation of the proposed sewer district map for the Montauk Highway Corridor, sewage treatment plant location, type of sewer system to be constructed and impacts on property owners within the district. They will also explain the process going forward by which a sewer district will be created. There will also be an opportunity for questions and answers.

Why: Suffolk County's Department of Public Works is preparing a request for proposal (RFP) to design a sewage treatment plant and collection system along the Montauk Highway Business Corridor in Mastic/Shirley. The county hired CDM Smith to study the project area and to prepare an environmental review in order to move forward with design. CDM has completed its work and Suffolk County has appropriated \$900,000 to begin the design phase.

Where: Mastic Fire Department– 1080 Mastic Road - Mastic, NY 11950

When: Thursday, May 3rd, from 7:00PM to 9:00PM

Please join Legislator Browning at the Mastic Fire House on May 3rd at 7:00PM.
